

Chairman's message

On behalf of the Management I would like to congratulate the staff, the students and all the others directly and indirectly associated with St.Xavier's High School for the successful completion of a glorious tenure of 9 years.

At this juncture, I would like to acknowledge and extend my heartfelt gratitude to all those who have made significant contributions to turn a humble institution started 9 years ago into one of the important institution of the state. St.Xavier's High School stands tall for it has successfully developed a holistic system where the nitty -gritty of formal education has been intricately woven with moral, spiritual, and social education. The dynamism of the young talent blooming in our garden is being tapped; the skills and the potentialities of its students are being mined out and chiselled. When Xavierian

leave the portals of their venerable institution, they are ready to take on the world.

9 years ago in the life of an institution signifies the coming of age and maturity. Maturity, to objectively analyze its achievements and assess how much more needs to be done. As technology increasingly takes over knowledge based work, education must keep abreast with the ever changing world. Curriculum must be constantly redesigned to be consistent with its purpose of supporting its students' personal and professional development.

We are aware of the challenges that lie ahead and will leave no stone unturned to further enrich the rich legacy of this esteemed institution. May the Almighty shower His blessings on us all and give us the strength to face all the challenges that come our way.

DR. Manmath Kumar Biswal

Chairman
