Co-curricular Activities

Every activities in school life plays significant role in child developments. Co-curricular activities are essential part of school life as it helps to enhance learning process of the students. We include like extempore, drawing competition, floral decorations, story telling quiz competition, skit and role play on different themes.

MUSIC & DANCE

We believe music & dance improve intelligence and thinking skills among students. To bring the concept into reality we provide music & dance classes to our students and certain teachers are appointed for the same.

PUBLIC SPEAKING

Public speaking in the class shares thought, ideas, knowledge with others in the group. In other ways it enhances the speaking power and interpersonal skills, of the students as well as teachers. We promote it as a whole. We conduct group discussion, extempore, debate to bring out the best among them.

ART AND CRAFT

Through art and craft children learn value to describe a wide verities of activity involving making things with one's own hands. Students learn pot making with design replica and many more. An art teacher has been assigned to take the responsibility.

GARDEN

In a school garden, school children are set to involve certain gardening activities like planting of different flowers and fauna to make the school more attractive.

SOCIAL WORK

We believe school plays an important role in shaping the society, so the school involves itself in certain awareness programmes like planting , road safety, stop corruption, save girl child and many more in educating people about it.

CREATIVE WRITING

A creative writing exercises are a good way to help develop voice, learn about the story telling and explore new styles and genres. We are making focus on it and exposing the hidden qualities of students.

CULTURAL PROGRAMME& STAGE PERFORMANCE

It is believed that students participating in cultural activities perform well in their academics. We are conducting difference kind of activities such as music & dance, festivals celebrations and photography. We host annual function in a spectacular way in our school. The buddy minds expose themselves by participating in this cultural events.

SWACHHA BHARAT

We materialise the dream of Gandhi Jayanti keeping our village, surrounding area, finally nation as swachha. To this context we conduct certain programmes in and around of the locality.

SPORTS

Sports help to increase confidence, mental alertness & self-esteem. Our students participate in various championship, quizzes competition organized by CBSE as well as other organization of schools in an around of Jajpur have own many accolades and prizes sports includes annual sports meet of the school held every year .You can have look at our best activities.

SCIENTIFIC MIND SET

To improve the scientific mind set of the children, our school conducts certain science related activities. Our school organizes annual science educations to nourish the young mind . We hire a number of famous personalities to our school to have interaction in various scientifically development in and around of globe.

The school curriculum is based on the overall development of the students and as per the NEP-2020 and given priority to the quality and skilled based education.

We are following the curriculum not only academic rather the value based and character building of the pupils.
